

ABHISHEK JONATHAN LING.

PRODUCT & INDUSTRIAL DESIGNER · CREATIVE TECHNOLOGIST · DESIGN LEAD

abhishekjonathanling@gmail.com · linkedin.com/in/abhishek-jonathan-ling-a99620240 · ajling.com · India

OPEN TO RELOCATION — EUROPE / UK / AUSTRALIA / NORTH AMERICA VISA SPONSORSHIP REQUIRED

PROFILE Multidisciplinary designer, working professionally since 19, with 5+ years across product, industrial, spatial and digital design. Trained as an architect, practising as a design lead, building as a creative technologist — I take ideas from sketch through production-ready 3D to shipped experience. Founder of Riotform Studios. 50+ projects delivered across India, Australia, Austria and the UAE.

EXPERIENCE	PRACTICE — FULL-TIME	
	Assistant Design Lead 20XX — Present	
	Sobha Realty — India	
	Design lead on residential and mixed-use developments across global markets. Owns design direction from concept through documentation, coordinating multidisciplinary teams and international stakeholders.	
	Senior Product Designer 20XX — 20XX	
	Charcoal Technologies — India	
	Took designer products from concept to production: production-ready 3D models, marketing renders and campaign visuals. Owned both how a product worked and how it looked.	
	Graphic Designer 20XX — 20XX	
	Hashtag Inc — India	
	Infographics, social creative and pitch decks in close collaboration with clients; introduced Blender 3D to push advertising visuals beyond flat.	
	CONSULTING — RETAINED & PROJECT-BASED	
	Lead Visual Designer (Consultant) 20XX — 20XX	
	Evobi Automations — India	
	Led visual design across robot skins, packaging and a full app redesign — shaping not just how products looked but how they were experienced, from unboxing to interaction.	
	Head VFX Artist (Consultant) 20XX — 20XX	
	Goodnews Digital — India	
	Led two visual-effects productions start to finish, delivering on schedule and creating visuals that resonated with clients and internal teams.	
	Assistant Art Director (Consultant) 20XX — 20XX	
	Idea Heavens — India	
	Museum exhibits, exhibit graphics and miniature display concepts; stop-motion and advertisement shoots.	
	FOUNDATION	
	Architectural Intern 20XX — 20XX	
	Space Matrix — India	
	3D visualisation and marketing material for corporate clients; product photography and stakeholder design proposals.	

CAPABILITIES	Disciplines	Product & industrial design · Architecture & spatial · Brand identity · UI/UX · 3D & motion · Creative direction
	3D & product	Blender · ZBrush · Nomad Sculpt · Rhino 3D · Unreal Engine · Vizcom
	Architecture	AutoCAD · SketchUp · Rhino · Lumion · Enscape · D5 Render
	Graphic & UI	Adobe Creative Suite · Figma · Procreate · Spline 3D
	AI workflows	Generative image & video tooling · AI-assisted ideation and concept development · prompt engineering · generative tools integrated into production design pipelines

EDUCATION	B.Arch	Bachelor of Architecture — Anna University, Chennai, India
	Master's Cert.	Design — Curtin University, Perth, Australia

SELECTED WORK	PROTO-X	Sensory headgear using echolocation to return spatial awareness to visually impaired users. Sculpted, engineered and 3D-printed. Self-initiated.
	AIRFOIL	Bladeless personal drone concept — ducted airflow logic, modelled and printed. Self-initiated.
	The Vaanam F1 Materials	Residential villa designed and fully visualised — spatial clarity, natural light, material balance. Published design research on material evolution in Formula One, steel through graphene.

RECOGNITION	Two directed short films — first prize, both. · Founder, Riotform Studios. · Work delivered across four countries.
